

**HARVEST THE FRUIT
OF YOUR HARD WORK**

**The agriculture industry is more capital
intensive than ever before —
and more competitive.**

That's why some of the most successful operations work with the friendly and knowledgeable people at American AgCredit. They know American AgCredit is the only lender that truly specializes in agricultural financing, with the right products and services to meet the unique needs of growers, shippers, and ranchers.

**In a business defined by variables, we've offered
the one constant you can depend on since 1916.**
