

# Sonoma County Fair

## "Adopt-a-Building"

### Group Volunteer Opportunities

#### Why Volunteer?

***Is your organization looking for a way to support the local community?***

The Sonoma County Fair is the perfect opportunity to do just that! There are over 250,000 people that attend the Fair each year. Volunteering at the fair helps ensure that those attending have a wonderful, safe, and fun-filled experience.

In exchange for your organization's volunteer time, the Sonoma County Fair will provide you with the opportunity to promote your business or organization for FREE.

***FREE Admission Tickets:*** For the shift, your company volunteer receives 2 general admission tickets and 1 parking pass. The parking pass and 1 general admission ticket you receive in advance of your volunteer shift to get into the fair. The additional pass is complimentary to use at your discretion.

#### Volunteer Positions:

Building attendants are needed for over 300 shifts in the Finley Building, Kraft Building, Garrett Building and Hall of Flowers.

The number of volunteers needed each day, by building are:

- 4 - Finley Building
- 4 - Kraft Building
- 4 - Garrett Building
- 6 - Hall of Flowers

**Please note: these numbers do not include volunteers for your display**

#### How it Works:

- An organization provides enough volunteers to cover a specific building and their display for a day.
- The Fair will provide you an area, with table and chairs, at that building for you to display literature.
- You are welcome to wear your company or organization logos.

For example, the Garrett Building needs 8 volunteers per day. An organization would need a minimum of 4 volunteers per shift; 2 as building attendants and 2 person for your information table display.

#### Group Volunteer Shifts/Dates

Volunteers are needed between 12:00pm-8:00pm, shifts are coordinated with the fair and maybe flexible.

Dates Needed: August 3 through August 13, 2017

Shift Times: 12:00pm-3:30pm and 3:30pm-7:00pm
