WHITE PAPER.

**WIN  
FAMILY FAIR PACKS,  
FAIR TICKETS!**

ALL AGES  
WELCOME!

Create a poster that celebrates one or more of our Sonoma County heroes. You have lots to choose from – remember that not all heroes wear uniforms!

You can choose to include anyone who matches the dictionary definition of a hero: a person who is admired or idealized for courage, outstanding achievements, or noble qualities. Be original! Your entry must not look like a poster that has already been produced commercially, or that you saw online or anywhere else. This must be your original idea and work. You can use crayons, paints, pencils or pens, but not stickers, computer graphics, tracing or photos - use your homegrown artistic talents! Your entry should be no larger than 8 1/2" x 11", on paper only (not mounted). **Tape a Contest Entry Form to the back of your entry. Find the entry form in this booklet!**

ADULTS  
AND KIDS!

There were all kinds of heroes who helped during the fires; firefighters and police officers, volunteers who helped evacuees, neighbors who

took care of each other, and so many more! Think about all of those people, and write an essay about one or more of them. It might be a personal story, about how someone made a difference for you. It might be a story about something you saw, heard or read about. Use major league verbs, adverbs and adjectives—you want your readers to understand why the people you are writing about are heroes. Follow up your opinion with examples from your experiences or research. All entries must be printed or written on one or two pages of 8 1/2" x 11" paper. Leave the back of each page blank (except for your name). If you have more than one page, staple them together. **Tape a Contest Entry Form (in this booklet) to the back of your entry.**

FAIR TICKETS  
TOP WINNERS GET A T-SHIRT  
PRINTED WITH THEIR  
EMBLEM!**

Every superhero needs a logo to tell the world just how super he or she is. Superman has a big S, and Batman has a bat. This is your chance to create a super-emblem of your own. Use pens, crayons or colored pencils and draw on the official entry form. Make it any shape you want, but it must fit inside the square. If you create your emblem on a computer, cut it out and glue it inside the square. Your artwork must be original! No tracing, clip-art or anything "borrowed" from another source. No group entries; each contestant must do their own work.

All ages can enter. Entries will be divided into age categories as well as computer-generated and hand-drawn categories before judging. Winners will be notified and participant ribbons will be mailed to all contestants before the Fair starts.

Entries must be received or post-marked by June 29.
