The Sonoma County Fair allows "add-on" amounts to **market steer, hog, lamb, goat, chicken & rabbit auction purchases.**

The following are guidelines adopted by the Sonoma County Fair board regarding "Add-On" purchases:

- Sonoma County Fair will charge 6% commission on the purchase price AND any add-ons of each animal sold in the auction.
- The number of "add-on" buyers cannot exceed **4** per single purchase on lambs, goats, hogs, chickens & rabbits. With no monetary limit or any other restrictions.
- The number of "add-on" buyers cannot exceed **6** per single purchase on steers. With no monetary limit or any other restrictions.
- All add-on monies must be in the form of a check or money order, cash or credit card and included with the pink card at the time of the transaction.
- *Add-ons are a contribution to the selling price. No product is received for this contribution. Fair will not bill these add-on supporters. Therefore, "Add-On" monies **MUST NOT** be calculated into the purchase price but rather added to the total purchase price of the animal after the bidding process.*
- Exhibitor will be required to include the supporter when writing their thank you notes. Make sure you have address information included on the pink card.
- Individuals who choose to support the auction by this method would be considered "auction supporters" rather than "auction buyers".
- No admission credentials to the fair will be issued to add-on supporters the following year.
